

# UK CONNECTION STUDENT CONVENTIONS TO NEW YORK CITY PHOTOGRAPHY SEMINAR

Venue: B and H Photographic  
420 9<sup>th</sup> Avenue, New York

The Photography Seminar will take place on the morning of Day Two and will focus on:

**Photographing New York; talk and workshop with a professional New York photographer  
Demonstration of equipment at the cutting edge of moving and still imagery**

## **DURING THE SEMINAR**

You will be given a tour of B and H's magnificent store. The overriding goal of B and H is to make customers feel comfortable and satisfied with your experience there. The entire premise of the store is based upon your ability to come in, touch, feel, experiment, ask, and discuss your needs without sales pressure. Their sales staff is made up of working professional photographers and videographers with years of field experience. They'll ask what you need to accomplish your task and advise you as to what equipment you will need to get the job done effectively. Photographers and videographers from all over the world make their way here. Their clientele represents a huge cross-section of photographers and imagers from all ranks of both pro and amateur.

## **Your programme also includes visits to:**

### **THE APERTURE'S BURDEN GALLERY**

Aperture—the premier not-for-profit arts institution dedicated to advancing fine photography—was founded in 1952 by photographers Ansel Adams, Dorothea Lange, Barbara Morgan, and Minor White; historian Beaumont Newhall; and writer/curator Nancy Newhall. Aperture recently moved into its new headquarters in Chelsea located at 547 West 27th Street, 4th floor, New York, N.Y. 10001. The gallery is open Tuesdays–Saturdays, 10:00 a.m. – 6:00 p.m.

### **THE SAMSUNG EXPERIENCE**

Inside the Samsung experience are some of the most advanced, stylish and desired digital products in the world. Each sleek, sophisticated, powerful... any very touchable. Pick up and turn on and play with electronic marvels that until now only existed in your dreams. A cool and inviting setting, the Samsung Experience is the only place where you can see, hear and touch Samsung's most innovative products before they're available. From the thinnest phones to the largest HDTVs, discover how Samsung elevates your lifestyle. Audio tours will guide you through the wonder of it all.

NB this is NOT a store. No products are on sale here.
